# Integration 2024

*An initiative by the students of Indian Statistical Institute, Kolkata.*

- ₹80 for Open MELAS Quiz Pass, ₹120 for Open General Quiz Pass.
  - ₹100 for a U25 Day Pass for participation in both quizzes on 27 January
  - ₹150 for an Open Day Pass for participation in both quizzes on 28 January.
  - ₹200 for a Season Pass for participation in all 4 Quizzes
  - The above prices are for individual registrations. For school teams, the same prices remain but for a team of 3 (all 3 members should be school students for the discount to apply).
- If a participant wishes to appear in 3 out of 4 Quizzes, they will have to register for one Day Pass and one individual Quiz Pass. However, the fees structure has been kept such that a Full Season Pass would be less expensive than any such combination, so participants are encouraged to stay on for all 4 Quizzes if indeed they decide to come for both days. Similarly for case of 1 Quiz each on separate days.

## Prize Pool and Format

- The total prize pool is worth ₹15000, subject to change based on the number of participants.
- At least 3 different schools and 5 different school teams have to participate for the special School Team Prize to be awarded for the U25 Day Quizzes.
- The Prelims of all 4 Quizzes will be entirely written. Any teams found discussing answers with other teams during the round or using other unfair means will be immediately disqualified.
- By default, the final round of each Quiz will be pounce and bounce with half the questions rotating clockwise and the rest anticlockwise. For *pounce*, the full answer should be provided for points, half answers will not be enough. No buzzer rounds will be there, but written rounds could be present at the discretion of the QM. Other specific rules for the Finals would be mentioned by the QM.
- If a question is perceived to be extremely difficult, the QM can provide hints at their discretion. If enough teams block the hint, then the hint may not be provided.

## Event Regulations

- The quizmasters' decisions are final in their respective quizzes. Organizers may disqualify any participant for on-stage comments or gestures deemed illicit or inappropriate.
- Organizers reserve the right to alter event dates as per institute regulations.
- Participation fees are non-refundable, with exceptions on a case-by-case basis.
- Participants agree to be bound by the rules and regulations of the Indian Statistical Institute, Kolkata, while on campus.
